- There are 2 Active cases, but the cases were only taken care of after the second P22-1162 incident, **which date for both cases were set up hearing on July 21, 2022**, and which

were after the 2nd incident and I would have NO chance/opportunity to learn nor correct myself without IN TIME hearing after 1st incident.

1.1.3 There is 1 EXPIRED case of P14-1307

- 是当地的法院没有及时地通知我或是办理案件，让我没有机会学习和校正自己的行为，不管是6/17号的，还是接下来的，我没有机会学习来校正自己

2 Length of Order 一年，多于一年，一辈子（法官真是生猛呀，一令就是一辈子。。。。。）

13. Length of Order

(The order will last for **at least one year** unless you ask for something different. Orders restraining a parent from contacting their own children may not exceed one year.)

I need this order to last for: [] 1 year ☒ more than 1 year [] less than 1 year (specify how long): _____

If you checked more or less than one year, briefly explain why.

Respondent's behavior has persisted since 2009.
She interprets the expiration of P14-1307 as permission to resume trying.
I prefer to prevent her future behavior in perpetuity.

- Who came to US as an international student, **I do NOT have nor by any means learn and understand these legal terms**, and I **DO have been** interpreting the expiration of P14-1307 as permission to resume trying. As an previous girl friend who is still deeply falling in love for a previous boyfriend, who will stop trying by any means though?
- We understand petitioner's understandable intention, but **we also need to consider and allow the respondent chance and opportunities to grow, to learn as well as correct herself**, instead of setting up permanent protection orders without reasonable consideration on response's side of story and feelings.
- 是的，我以为保护令的期限到了便是过期了，我便可以 retry 恢复男女朋友关系了。。。
- 听证会上，我向法官陈述了，我是国际留学生，对美国社会法律并不了解；

3 Most Recent Incident

16. **Most Recent Incident.** What happened most recently that made you want a protection order? This could include violent acts, fear or threats of violence, coercive control, nonconsensual sexual conduct or penetration, sexual abuse, harassment, stalking, hate crimes. For a vulnerable adult, include incidents or threats of abandonment, abuse, neglect and/or financial exploitation. Include specific date/s and details of the incident.

1. Around 2022/06/01, Heyan violated a no-trespass order and rang our house's doorbell. We threatened her with arrest, and she left. Later that evening, Pullman P.D. Ofc. Romanov located her (at a local hotel?), but we chose not to arrest her then.

2. On 2022/06/17, Heyan rang our doorbell again. We called 911 and Pullman PD arrested her (case 22-P/S 351). She was assigned Whitman CDC #P22-1146 for Criminal Trespass in the Second Degree, with court date 2022/07/19. There was no property damage or threat.

3. On 2022/07/02 Sat, I was performing yard work, balancing precariously on cinder blocks on a steep hillside. Heyan snuck up behind me and bear-hugged me from behind, ignoring my several years' worth of forbidding her to touch me. I turned and broke her grip, then retreated into my house, ~~and called 911~~

4. On 2022/07/03 Sun, I glanced out through my kitchen window and saw Heyan walking up our driveway. I called 911, and she heard me and walked away. Pullman PD found her nearby and arrested her again, P22-1162.

She is not deterred by no-trespass orders, arrest, or pending court cases. The only measure that has worked previously is a Protection Order (PI4-1307).

- Your honor, my explanation are as following listed:
- 1. I **did have interpreted expired protection orders as permission of allowance for retrying**. And it had been the reason that I had been visited back during 2021 upon which year I divorced ex-husband, and want to retry the relationship with Mr. Eric Shing-suan Wang. And I did have visted quite a few times back then, **2 times last year in 2021**, in end of **March 2021**, **July 30th, 2021**, and followed with **3 times visitings this years in end of May, middle of June**, as well as **beginning of July**.
- 1. **There was a policement did call me when I was about to register for a hotel room in end of May 2022**, but the unreasonable expiring date of 2099 the policeman warned me over the phone made me believe that it was more a threatens from a unprofessional small town policeman, which cases had happened on me before, on 12/27/2014 I had been arrested by unprofessional small town policeman who had absolutely no right to arrest me at that time, but he did.
- 2. I was arrested by the policeman on 6/17/2022. But I was raised up in a large family together with 3 elder siblings from a farm of an undeveloped coutry, and I had NOT been taken good care of during my childhood, and am grown up with to some extend disability of missing concepts of boundaries. I knew that Mr. Eric Shing-suan Wang had warned me on NOT going to the house, but back then I was NOT able to understand how serious the warn could be. And even at my ago in my early forties, I am still practicing various boundaries during my daily life. Personally I need court's hearing's help, judge's help to help behavior correct me and help me set up boundaries as well as help me understand how important and severe things could potentially be.

- 3. Your honor, it was one of the afternoon that I have driven more than 1000 miles one way within less than 24 hours, and I was tired, only saw a person in between the two neighbourhood houses. As an international student, I don't have any concepts that I am NOT allowed to enter any household's backyard, not only Mr. Eric Shing-suan Wang's, and **it was in between open yards of two neighbourhood houses without any marks/WARNING stating NO ENTERING**, i was just trying to get close to see backyard scene, but **due to the steep hillside and my tiredness, I run out of balance, and to prevent myself from hitting onto hard steep hillside stones, I ended of snuck a person nearby, which turned out to be Mr. Eric Shing-suan Wang** who i was warned NOT to touch, but it was completely a situation of tired person out of balance. Your honor, please help understand the tiredness of driving more than 1000 miles continuously within less than 24 hours. Thanks for your understanding so much!
- 4. Your honor, **I was NOT intended to, and I had even driven more than 20 miles on my way back to CA, and I had even grabbed groceries (water) from neighbouring town** (Please check below receipt **form neighbouring town Colfax, WA** before the backed to Pullman arrestment). But due to the heavy rain which I had waited the whole day before I left for home that day, **experiencing the heavy rain on my way to Colfax, I decided to drive back to visit WSU campus after the raining when the campus was wet**. When I driving by the house, I saw windows were all closed, and mis-signally resulted in an unwanted driveway walk. And that's all.

4 Past Incidents

17. **Past Incidents.** What happened in the past that makes you want a protection order? This could include violent acts, fear or threats of violence, coercive control, nonconsensual sexual conduct or penetration, sexual abuse, harassment, stalking, hate crimes. For a vulnerable adult, include incidents or threats of abandonment, abuse, neglect and/or financial exploitation. Include specific date/s and details of the incidents.

1. Heyon previously stalked me ~~physic~~ from 2010-2013 at WSU, physically, via phone, e-mail, and online. I repeatedly told her, verbally and in writing, to cease, with no effect.
2. On 2011/08/06, Heyon drove unannounced from CA, and snuck into my lab office at WSU while I was in the restroom. I lured her out of my office, closed the door behind her (it locks), and left for home. Heyon drove to our home (460 Sunset Dr), doorbell-ambushed and forced entry past my elderly mother, and barricaded herself in my father's bedroom/study. Pullman PD responded (11-906258), and removed her from our house. We chose not to arrest her then. + This establishes her doorbell-ambush trick to force entry into a house.
3. On 2013/03/21, Whitman CDC issued an Order for Protection-Harassment against Heyon, forbidding contacts (AH-0117YB)
4. Around 2014/12/27, Heyon violated the order for protection, and was cited for violation of Anti-Harassment order (PI4-1307).
5. At trial on 2015/03/21, it was agreed to dismiss the case in 2 years if no violations occurred.
6. On 2017/03/22, Whitman CDC dismissed PI4-1307. ~~she~~

- Your honor, my explanation are as following listed:
- 1. Your honor, back between 2010-2013, I was only in my early thirties. For others must be an age of mature enough, but for me personally, I was still naive, and with the missing boundaries concepts and understandings, I was sincerely NOT able to understand and digest what had been going on during those ages.
- 2. Your honor, what was stated was completely correct, but at that ago I was NOT able to understand what's going on, nor be able to reasonably understand the relationships.
- 3. **Case No. AH-0117YB ORDER FOR PROTECTION HARASSMENT was a completely mis-manipulated case executed upon me.**
 - I have **NOT** been notified any hearing for this Harassment protection order against me, nor had been served the protection order when it was effective.
 - I was only able to get a copy on 12/29/2014 upon which day I had been arrested for this order, and upon when I have NO idea about any protection order against me.
 - The protection order was finally served to me on court date 2/27/2015.
 - And the protection order against me during my naive age resulted in an mistaken unthoughtful marriage which I regret and would want I had never got married once NOT being able to digest the protection order.

5 个人的认知层面的问题

- 法律是有期限的：所有的限制令都有过期的期限

6 保护令下达（被小地方的法官一羊判便判成了一辈子 - - 至 2099 呆[F][F][F][F]呵呵）后

- If you do not go to court, the judge can make the restraining order without hearing your side of the story. And the order can last up to 5 years. 别人也就最多五年，他一弄就弄成了一辈子<https://www.courts.ca.gov/1279.htm?rdeLocaleAttr=en>
- 原令保护令者，可是撤销保护令：The adverse party can file a Motion to Dissolve the protection order, and the court might schedule a hearing on the motion. The applicant can appear at the hearing to oppose the adverse party' s motion. If the Motion to Dissolve is granted after a hearing, the protection order will become immediately void and unenforceable.
- 我可以 appeal 反保护令：The adverse party can file a Motion to Modify the protection order, and the court might schedule a hearing on the motion.
- If an extended protection order is issued, the adverse party can file an appeal to the district court, and the district court might affirm, modify, or vacate the order. The extended protection order remains in effect during any appeal, unless the court orders otherwise.

6.1 Appeal: <https://www.civillawselfhelpcenter.org/self-help/harassment-modifying-dissolving-or-appealing-a-protection-order>

- What is an “appeal,” and how would I file one?
 - If the court issues an extended order for protection, the adverse party can file an appeal to the district court. (There is no appeal allowed if the court denies an application to extend a protection order, only if the court grants the extension.) The district court will typically not hear new evidence on an appeal. The court will review the documentation and other information that was presented to the justice court in order to decide whether the justice of the peace made any error of law in granting the extended protection order.
- The district court can affirm, modify, or vacate the justice court' s order. (In other words, the district court can keep the order in place, change it in some way, or do away with it completely.)
- TIP! If the hearing on the extended protection order you're appealing was recorded, you must order a copy of the hearing transcript from the court reporter and deposit \$100 with the court (unless some greater amount was ordered). (JCRCP 74(b).) If the hearing wasn't recorded, you must fill out and file the Statement of Evidence or Proceedings form below.

9 online resources/ concepts differences

9.1 harassment vs Stalking

- “Harassment” occurs when:

- The adverse party threatens to harm another person in the future, damages another person’ s property, confines or restrains another person, or does any act intended to substantially harm another person’ s physical or mental health or safety; AND
- The adverse party’ s words or conduct causes the applicant to reasonably fear that the threats will be carried out. (NRS 200.571.)
- “Stalking” occurs when:
 - The adverse party engages in a course of conduct that would cause a reasonable person to feel terrorized, frightened, intimidated, or harassed or fearful for the immediate safety of a family or household member, AND

The applicant actually feels terrorized, frightened, or intimidated or fearful for the immediate safety of a family or household member. (NRS 200.575(1).)
