1 三次无中生有

- 【它导师第一次带它去看 WSU 女篮比赛的下午：】它大概因为起床晚，走得急，来不及锁门。但是它回来我问起，它谎称我早上出门时没关门，门是敞开半开状态；继而继续撒谎说我把车也开走了。。。我说我没有开车去党校，车在家里。它才认底，说它记不得我车长什么样了。我无法相信它说门上敞开半开状态，更相信它撒谎。
- 【我第二次去 COSTCO 之后一周，连续两天两次】：制造事件，我外面打不开门，它是帮开门了，却说门没有锁，为什么我要它开门？我有哑巴吃黄莲无法对证的苦，却不知道这样的该如何继续沟通？第二天，它再说我没关好水龙头，是流水状态，无法相信，感觉自己的智商情商被愚弄，它是想要对我证傻？

2 主要 scheduling

- 【租住时：我方】原计划是两个月，差不多是到 3/31/2023.
- 【租住时：它方】它隐身暗处的做法是，找时机，适时清楚清晰告诉你：它的工资是由它自己的国家土耳其支付，它不领领不到 WSU 任何工资。让你清楚感知，正如它的招租贴子在网上，它有经济帮助需求，我同样想要去帮助它。心理上，我也从来觉得我们互相帮助，两个人平等。

- 【过程中，WSU EECS Ph.D Application Admission:】因为申请 Ph.d in EECS, waiting for result, and unofficial admission. Boundaries did have been changed from my side, but I have always notified her the first time I could, and I think she is notified and clear about all the changes, and I have NEVER expected her ABNORMAL BEHAVIORS.

- Submitted Application time: around 1/30/2023?check
- **Unofficial admission time: 3/2/2023.** I stated I would wait for my official admission so that I may be qualified or they may be able to consider my applying for residence for Spring and Summer semester. She did NOT refuse, nor stated anything. **【Boundaries did have been crossed from my side as I was happy for my admission, and proud to be a coug.】** But she knew it, and seemed she had no problem with it at all. No refuse from her side.

3 租住过程中的主要事件与日期设置

- 3/1/2023: When I paid the monthly rent that day, I checked her required notice time, she answered 2 weeks. I stated I will make sure I leave her at least 2 week notice time.
- **Unofficial admission time: 3/2/2023.** I stated I would wait for my official admission so that I may be qualified or they may be able to consider my applying for residence for Spring and Summer semester. She did NOT refuse, nor stated anything. **【Boundaries did have been crossed from my side as I was happy for my admission, and proud to be a coug.】** But she knew it, and seemed she had no problem with it at all. No refuse from her side.
- **3/7/2023:** She set hard deadline from her side that her boyfriend is coming for visiting her in May. My last day of staying with her would be 5/1/2023.

4 当事件结果不如预期，个性上，它倾向于首先去怪罪别人

- 【吃饭小费问题:】周日，它因为不愿意出小费，而语言上攻击怪罪我，强说我迫它出去吃的!!! 我狠无语。
- 【第二次 COSTCO 两样东西:】它两面三刀怪别人逼它买，我没有。它至少有两次非常清楚的选择、自主作决定机会. 周日跟它清楚解释过，它承认了我没有逼它。

5 三次 article-shock 想法撞击

5.1 Recommendation for EECS Ph.D Candidate

Recommendation for WSU EECS Ph.D Admission Application Candidate – Heyan Huang

January 24, 2023

To Whom It May Concern

It is a pleasure to suggest Ms. Heyan Huang for the position of PhD candidate at Washington State University. I know Ms. Huang personally and have seen her achieve many successes in a short time. She has a positive synergistic effect, especially among teammates, and she has supported her colleagues in completing numerous tasks with care and diligence. She is very respectful, loving, and helpful towards her surroundings.

Ms. Huang's communication skills are excellent; she communicates on the same level as her colleagues, respects their elders, and is considerate of her younger colleagues. Ms. Huang is an honest and successful engineer. She has a strong work ethic. She can quickly adapt to the new working and studying environment. I am sure that Ms. Huang can achieve all kinds of scientific studies if she has a chance. Therefore, I strongly suggest she be a PhD candidate at WSU.

Dr. Hatice SARI

- I felt it was very cold, a Recommendation letter from some person 10000 miles away. did feel shock. But communicate and adjusted to be:

January 24, 2023

Dear Sir/Madam,

It is my great pleasure to recommend Ms. Heyan Huang be admitted as a PhD candidate at Washington State University. I know Ms. Huang personally as a friend and have seen her achieve many great successes within a short period of time. She always intends to make positive synergistic effects, contributes a lot and performs great both independently and within the team environment. And she has supported her colleagues in completing numerous challenging tasks with care and diligence. She is very respectful, lovable, and helpful towards all her surroundings.

Even though she was not born as an American native, Ms. Huang's communication skills are excellent. She hits the key point, the most significant part and always communicates effectively. She respects seniors, and is very considerate to her younger colleagues as well.

Ms. Huang is a hard-working and successful engineer, with a strong work ethic. She is an in-born problem solver. No matter how challenging the tasks / issues are, she could always find a simple yet essential way to solve them with all the effort she could make.

I am very confident that Ms. Huang will be able to succeed in all kinds of scientific studies, research, and make a difference, if she has been offered the chance. Therefore, I strongly recommend Ms. Heyan Huang to be admitted as a PhD candidate at WSU.

5.2 Suggestion for replying back a potential Ph.D Candidate screening from my advisor

- 收到邮件那天晚上，它要看我的邮件，我就让它看。它口头表达困难，但写，却可以极端清晰地表达出它的观点：因为重点分明，言简意赅，清楚地知道如何选择角度与用词来表达支持它的立场，没有任何废话。
- 使用 google translate: 它的观点清晰可见：我从 13 年到现在九年工作了（只有）五份工作，是个彻底的 LOSER. 总结这个 Ph.D Candidate 扫描是为是这个导师和 WSU 的 advertisement. 没有纪录，无法追塑。【这更像是一个人摧残别人正常三观与价值观的方式，非常人能表达如此观点。。。】
- 被它的观点，被它心底我是一个彻头彻尾的雷到外蕉里嫩，像一盆液氮~~F~~在身上，彻底被 shock, 希望一秒内结束与它所有一切的谈话，再无任何想要跟它继续讨论或是说的话。

5.3 昨天的它提供的它的说词：我同样被它一再的撒谎与，它所选择的撒谎、角度与用词表达，雷到

- As we confirmed and cleared in front of the policemen, that we do NOT need to help the other, I believe we should take our full financial responsibilities towards the mistakes we made earlier. I do NOT need your help, and you can always take your full financial responsibilities as well then you are trying to help any other person.
- I did NOT see any paper document on dining table last night.
- If you do have it ready, please leave a copy on the dining table before you leave for office today, so that I could bring it with me when I consult for professional advise considering my international background, as well as you first four months international cultural shock in US. And they may be able to offer more exact suggestions how I should handle this case. Thank you.

I am Hatice Sari, a legal resident of 1650 NE Valley Rd, Kamiak Apt Unit G6, I applied for the two-bedroom complex as I thought the Kamiak Apt was shareable. So, I placed my plus bedroom rental ad on an online roommate site called Roommate. Heyan Huang (she introduces herself as Jenny) texted me on the roommate site and said she was interested in the room. Heyan Huang and I met at the apartment at approximately 5:00 p.m. on January 15, 2023, and I showed her the apartment. Heyan Huang said she liked the house very much and wanted to rent the room. We agreed on a monthly rent of 350 dollars. We also agreed that all bills except electricity are included in the rent. Heyan Huang moved into my resident apartment on January 15, 2023. However, on January 17, 2023, I learned that the Kamiak Apt is not shareable. I informed Heyan Huang that same day (17 January 2023) that the Kamiak Apt is not shareable. Heyan Huang told me that she has no place to stay, that she will applying to be a PhD student at Washington State University Department of Computer Science, and that she needs a place to stay for about two months. She told me that if she didn't get accepted to WSU for her PhD, she would leave Pullman and if she got accepted, she would find a different apartment. Never without marriage home

1/15-1/17 \$200
1/2 \$150 \$75
\$150
Security Deposit
\$425

She wanted me to stay as she was NOT going to WSU

Her living & bad behaviours increased day by day. Both Heyan Huang and I talked a few times in February 2023 and March 2023 about her need to move out of the apartment. I told her she had to move out by the end of March while Heyan Huang thought she had to move out by the end of April, so we couldn't agree on the date. One of my friends called the police on my behalf on 03/26/2023 as there were misunderstandings about the time to move. We explained our problems to two police officers who arrived at our apartment. Convinced that there was a misunderstanding between the police officers Heyan Huang and I regarding the date of the move out, they suggested to us that Heyan Huang move out of the apartment by April 15, 2023. Heyan Huang and I agreed and confirmed that Heyan Huang will be moving out of the apartment by 04/15/2023. Also, the police officers suggested that we make up to decide the date and sign a written agreement stating that Heyan Huang would be moving out of the apartment by April 15, 2023. Thereupon, this agreement was prepared and signed on 03/27/2023. Two of these agreements were prepared, one for Heyan Huang and one for Hatice Sari.

I suggested lease agreement & Receipt, she denied from her side. She lied too often & NOT believable.
meant to blur boundaries & push blames onto me. Hatice Sari in prepose

I suggested come together to take full financial responsibilities.
On 03/27/2023, she refused, but called police & blame all on me by extreme behaviors emphasized our mistakes & financial responsibilities, she try to win time.

Heyan Huang
Tenant

6 Boundaries have been confused and crossed by her all the time

- **1/15/2023, 1/17/2023:** when deciding accepting me renting here or not, **boundaries have been crossed on propose** known to both of us, as both of us think the other has needs and need some help. I did ask what if the administration department asked, she answered that she would admit that I was/am her girlfriend.
- 【第一次带它出去买菜:】用一盒最大包装的蓝霉试探。我帮它，带它出去买菜，它那里变成了它试图 take ADVANTAGE OF ME. 【第一次，可以当作两个人共同，或是沟通的问题】
- 【第二次 COSTCO 两样东西:】它两面三刀怪别人逼它买，我没有。它至少有两次非常清楚的选择、自主作决定机会
- 【过程中，WSU EECS Ph.D Application Admission:】因为申请 Ph.d in EECS, waiting for result, and unofficial admission. Boundaries did have been changed from my side, but always notified her first time, and I think she is notified and clear, NEVER expected her ABNORMAL BEHAVIORS.

7 Stated communication helps Suggestions

Hi Hatice,

I did NOT realize that you took apartment key with you until a moment ago when I was planning go out for biking. I understand and agree that it is hard for both of us to talk to the other by us own nowadays.

But I don't think you are supposed to bring key away and limit my access of using it.

You tried your options of bring your friends, and called police yesterday. I agree with them that we need to set up and sign paperwork to legally protect ourselves, even before you had denied this suggestion.

If you are not referencing their suggestions, my current out of mind ideas include the following:

- appearantly it was both of our mistake trying to help the other. No need, and we could admit our mistakes to apartment administrator, and compensate financially from both of us for our bad influence on compus, as well as tear out damages.
- I will consult info about availabe sharable apartment. And if they do have, I will try to move out as soon as possible.
- As we may be sufferding from talking to each other by us own, it may be a good idea reach out for help from them – the current apartment administrator. They are the resource that we could try to reach, and help ourselves out.
- Othewise, if not needed by you, I still prefer help from administatation department to solve this without abnormal behaviors. By which I mean, at least a third person resource as evidence, instead of talking between us. I prefer set up deadline of 4/30/2023. But we need setup paperwork as soon as possible, so that later you could take legal action if I am doing anything wrong.
- Please return my car key tonight, and I don't feel safe leaving it with you any more.
- I am currently staying inside the house, not knowing if I am able to leave the door unlocked. as no known knowledge about your opinion.

- If you agree we reach help from apartment administrator, I will try to adjust to your schedule for meeting them, when you are available recently.

Thanks for your attention. And I appreciate ...

8 Stated lies she made earlier

- I was sitting inside the house, the apartment administration officer outside, asking if she smoke inside the house. She did. But she did answer she smoked outside and her cloth had some leftover smells. [before spring break]
- She suddenly expressed her needs by stating she is NOT paid by WSU, but by her own country and government, which did make me feel she is in need of help at same time.
- I suggested lease and receipts initially, she denied to avoid all possible troubles. And suggested and saw me deleted my asking for receipt text message.
- Meanwhile, she crossed all the boundaries to be in favor of herself all the time:
 - 3/1/2023, I checked with her about her required notice time, she stated 2 weeks. I said I will make sure I give her 2 weeks notice time. But she blurred and pretended to misunderstood the communication and stated I claimed to move out on 3/31/2023 but I did NOT.
- I did have been waiting for my Ph.D admission. And after I got unoffice one, she and I changed the deadline together by waiting for my formal admission so that maybe I could apply for WSU sharable housing for spring and summer semester as a formal Fall 2023 Ph.D student.
- The day I got unformally admitted, I expressed my wish of after having been formal admitted, I want to apply for sharable housing. She did NOT really have any tear, but she pretended she has tears to wipe, and she did wipe her eyes, and made me think she is still in need of my help for her to afford the rent.
- On 3/26/2023, she tried extreme behaviors towards me without any chance, as she on propose all the time lied to pretend her stand:
 - I suggested my turn of chance get understand by her, as she has at least apologized to me once, she denied;
 - I suggested 5 days is not enough for urgent notice, if not allowing time, allow some financial compensate, she denied;
 - I suggested the financial compensate may not apply on me, but return back to WSU as we did break the rules, she and all her friends denied. She does NOT want to take any responsibility on her proposed breaking the rules.
- Yesterday I suggested, emphasized these to her too, but she ignored them on propose to financially protect herself, but blame all mistakes on me.
- she LIES ALL THE TIMES ON PROPOSE.
